To Racquetball friends,

I'm writing to you on behalf of the Sport of Racquetball in the State of Delaware.

I have been placed on the ballot of the Delaware State Museum and Hall of Fame "DSMHOF". **Thanks to the sponsorship and presentation by Tom Delle Donne the Board of the DSMHOF will reconfirm my name on the ballot.**

Although this represents personally a great honor should I be elected, it also represents the recognition of the Sport of Racquetball in Delaware. Being elected is no small battle, as some of the Board members know very little about the Sport of Racquetball!

The Board elects the names to be on the ballot, then their individual votes along with the votes of the DSMHOH MEMBERS, elect the candidates to be inducted into the Delaware Hall of Fame. However many of these members are not familiar with Racquetball, as this illustrious Hall of Fame is full of great athletic personalities from Baseball, Basketball, Track & Field, Volleyball, Boxing, etc... but none from Racquetball.

Here is where you come into the picture. **Becoming a DSMHOF MEMBER can be made by filling out the enclosed application, and unfortunately you have to send along a check in the amount of \$40 for a one year membership, no later than January 11, 2010 (on hand by Jan 15th). In February 2010, you will be sent the ballot with a short resume of the candidates, and asked that you vote. Your residence may be in any of the 50 USA states.**

This membership will entitle you to:

- Unlimited free entry to the Hall of Fame Museum (at the Blue Rock stadium)
- Receive ballot and vote for Hall of Fame inductees in February 2010.
- Receive ballot and vote to elect the DSMHOF Board members in October 2010.

I submit to you my Resume with my credentials as submitted to the DSMHOH. More important than my victories in the court, I consider the fact that I founded the Delaware Amateur Racquetball Association (DARA) 25 years ago, which has maintained the Sport of Racquetball alive in the State of Delaware. I ask that you help me be elected and at the same time that you help recognize our great sport of Racquetball.

Respectfully,

Dario
